CERTIFICATES

- DSA Excellence in Coding Ninjas [🔗](#)
- Frontend Excellence in Coding Ninja [🔗](#)
- Backend Excellence in Coding Ninja [🔗](#)

PROJECTS

Memories

This project uses React JS for frontend, Node JS for backend, routing with Express JS, the database used is MongoDB. In this project, users can create a post, and like and comment on other's posts. This project uses manual authentication and Google authentication

A Portfolio Website

This website have my complete information along with my projects. This is based on HTML and CSS.

A Contact List

This project is based on backend development and react js.

PROFESSIONAL EXPERIENCE

Teaching Assistant, Coding Ninja

02/2022 – 06/2022

My role was to debug the code and explain the concepts of DSA to coding ninja's students and here I resolved more than 1100 doubts of students in Data structure algorithm and c++ with a rating of 4.74 out of 5 in just 4 months.

EXTRACURRICULAR ACTIVITIES

Shiksha Society, Volunteer

08/2019 – present | NIT Kurukshetra

This is a society of our college. Here we provide free education to underprivileged children and organize events like science exhibition, drawing competitions, dancing, and singing competitions for their overall growth.
