Certificates

DSA Excellence in Coding Ninjas [↗](#)
above 90% marks

Frontend Excellence in Coding Ninja [↗](#)
above 90% marks

Internship As a Teaching Assistant [↗](#)
Here I resolved 1106 doubts in DSA with rating of
4.74 out of 5.

Projects

A Social Media

This is based on node JS, express JS, and MongoDB. We can create a new post and comment on any post. I have provided flexibility to login as a different user. Currently, I am working on it.

A Portfolio Website

This website have my complete information along with my projects. THis is based on HTML and CSS.

A Calculator

simple calculator with html, css and Javascript.
